Welcome to the Davie Nature Trail Disc Golf Course...
 ...where the flight of your disc is the trail and the scorecards act as your nature guides.
 Disc golf is a essentially a hike with a frisbee...so, as you hike around Farmington Nature Park playing your round of disc golf, use the scorecards to learn about and connect with some of the natural resources found in and around the course.
 Have fun and be safe!

Rules: Complete each hole in the fewest number of throws by starting at the tee-pad and finishing with your disc in the basket. Each consecutive shot must be taken from where your previous shot landed. If your disc lands in the creek, crosses a fenceline, or lands in an OB zone, you're Out-of-Bounds. Penalize yourself one stroke, and throw from where your disc was last in-bounds.

Safety: Disc golf discs can cause serious damage to people and property. You are responsible for any damages caused by your disc. Be aware of your surroundings and be patient of others. Do not stand in front of other players who are throwing, and don't throw when other players are in front of you!

Davie DGC - Course Map

"Birdies"

Whether in good scores or in actual birds, it's always fun to see as many "birdies" as you can during a round of disc golf. While playing your round today, use the pictures on this scorecard to identify a few of the more common birds found here at Farmington Nature Park. Soon, identifying these birds will be as easy as making a five foot putt.

Carolina Chickadee

Carolina Wren

American Robin

Blue Jay

American Crow

American Goldfinch

Downy Woodpecker

Mourning Dove

Cardinal

Ruby-Throated Hummingbird

Northern Mockingbird

Eastern Bluebird
